INGREDIENTS: Water, konjac flakes* (Amorphophallus konjac) (4%), calcium hydroxide. *organically grown and processed.

HOW TO USE: Unpack the noodles in a sieve and rinse, then boil for 1-2 mins and drain. They can be fried for few mins. This process is recommended to eliminate its smell when unpacked.

Shirataki is made from the root of the konjac plant and our producer believes that good konjac is essential to make good traditional shirataki. Konjac is a very unique plant that needs great deal of care. The plants are dug up in autumn and brought indoors until the following spring, then replanted again. This is repeated for 3 years until the tubers

are robust and big. Whole shirataki noodles are made with the whole konjac root to ensure that none of its goodness is lost in production. This means the final product fully reflects the great quality and natural taste of its ingredients. Our producer is one of only a handful in Japan still making this traditional form of shirataki.

150G POUCH x 6 x 4

Nutritional value	per100g
Energy	54KJ/13kcal
Fat	<0.3g
of which saturates	<0.3g
Carbohydrate	0.7g
of which sugars	<0.2g
Fibre	4.4g
Protein	0.4g
Salt	0g

Logistic information	
300g (drained net 150g)	
Pieces	150g pouch x 6 x 4
Unit size(mm)	35 x 110 x 200
Trade case (mm)	110 x 210 x 200
Master case (mm)	340 x 405 x 210
Gross weight	9.4kg

Shelf life	18 months
Storage	a cool, dry, dark place
PB	pouch, Trade case *conditions apply (min lot 60,000 pouches, plates last 1 year)
Certification	JAS Organic JP-BIO-005
Producer	Gunma Pre., Japan FSSC 22000 certified
Production MOQ	100 cases (2,400 pack)
Packaging	High barrier PET12/PA15/PP60

150G TRAY x 30

Logistic information	
Pieces 300g tray (drained 150g) x 30	
Unit size(mm)	160 x 95 x 30
Master case (mm)	310 x 440 x 160
Gross weight	10kg

Shelf life	18 months
Storage	a cool, dry, dark place
PB	bag *conditions apply (min lot 46,000 pouches.plates last 1 year)
Certification	JAS Organic JP-BIO-005
Producer	Gunma Pre., Japan FSSC 22000 certified
Production MOQ	50 cases (1,500 pack)
Packaging	film: PA15/PA15/CP50, tray:PP, Bag: OPP30/PP30
